

NAM NHAT PHAN

Tampa, FL 33617 • nnphan@usf.edu • (656)-204-6978

An ambitious Finance freshman at the University of South Florida. Cultivated a keen interest in investing since 2021. With a history of leading educational organizations dating back to 2015 and a daily commitment to absorbing business news and actively investing in stocks, I offer a blend of hands-on leadership and practical market acumen. Guided by a growth mindset, I am poised to deepen my foray into the financial sector and demonstrate my capabilities.

Education

University of South Florida

Major: Finance | Anticipated graduation date: Spring 2027

Tampa, FL

2023-2027

Experience

Chicken Minds Education

Ho Chi Minh City, Vietnam

Founder, President, Media Representative

June 2021 - Present

- Led a dedicated team of 150 members from gifted schools in Vietnam to offer specialized instruction to 300 9th-grade students. Courses covered Literature, Mathematics, English, Chemistry, and Physics at the Honor level, prepping students for entrance into top-tier and gifted high schools.
- Reached 178,000+ people, attracted 100,000+ visits, 20,000+ followers on Facebook page in 1 year.
- Hosted "Bít & Típ" video podcast series. Conducted interviews with 10 distinguished figures from diverse sectors, including STEM education, culture, and literature. Gained 100,000+ views on YouTube.
- Successfully oversaw the budgeting and financials for an offline educational guidance event – “Hành trang vào 10 chuyên” – in Ho Chi Minh City. Attracted 154 9th-grade students and parents. Obtained a \$1,500 sponsorship from a leading educational company.

Sao Mai Long Son Kindergarten

Vung Tau City, Vietnam

Informatic Technology Intern (Remote), STEM Assistant (On-site)

June 2021 - Present

- Managed the kindergarten's technical aspects: provided technical training sessions for the principal and teachers, maintained the email system, and built the kindergarten's website.
- Organized STEM events and in-class activities for 25 kids from June to August 2022.

Little Stars Science Club

Ho Chi Minh City, Vietnam

Co-Founder, Co-President, Science Instructor (On-site)

June 2015 - Present

- Organized 100+ science field trips and events to provide experimental STEM education programs for 2,000+ children countrywide from 6 to 15 years old.
- Made a profit of \$10,000, distributed to organized non-profit STEM events for children in rural areas with limited involvement in STEM studies and buying necessities for students over the past 7 years.
- Created specialized programs to interact with 100 autistic science lovers from 6 to 15 years old.

Book & Friend Club

Ho Chi Minh City, Vietnam

Project Leader, Funding Manager

June 2016 – January 2022

- Raised 2,000+ books for Hon Chuoi Island in 2016 & 500+ books for 10 community libraries.
- Hosted 6 events to connect with readers and cultural organizations (200+ participants per event).
- Featured in reputational e-magazines and televisions in Vietnam: HTV, Tuổi Trẻ, Thanh Niên.
